Dear Parents,

BOARD OF DIRECTORS

Suzanne Nemeroff

Enclosed are enrollment forms for the upcoming academic year, 2010-2011. As we begin to plan for next year, we must have an accurate count of students and their classes in order to organize the grades, develop an appropriate schedule for the school day, and staff accordingly.

Please let us know at your earliest convenience whether you are planning to enroll your child(ren) for the 10/11 school year by returning the enclosed registration and tuition forms with your \$425 deposit. The Board of Directors has set the 2010/11 tuition at \$8250. The materials fee remains at \$250. If financial constraints prevent you from making your deposit at this time, but you wish to enroll your child at Levey, please call me so we can discuss the situation.

In the 2010/11 academic year we will again focus on each of our students. This year's planning has resulted in an excellent learning environment where your children are thriving. We plan to again meet this standard of excellence next year. Please share your plans as soon as possible so we are able to plan appropriately.

Sincerely,
