As Maine's only Jewish community day school, Levey has been educating a diverse group of elementary-age children in Maine for over fifty years. The event and auction is the major fundraising event for the school. Proceeds from the auction are used for scholarships, books, computer equipment, educational materials, and playground equipment for our students. The auction is particularly important in fulfilling Levey's commitment to access – nearly 50% of students currently receive financial aid. We rely on your support to help ensure that no deserving child in our community is denied a Levey education.

Please fill out and return the attached form for donation or fill out our online form on our website at www.leveydayschool.org

You may mail your item to the school at the address above, email us at info@leveydayschool.org or call us at 207-774-7676 and we will be happy to pick up the donation.

Thank you for your support of Levey Day School.

Sincerely,
