Thank you for your interest in our school. This is the time of year when we provide you with important information about enrolling your child(ren) for the 2017-18 school year. An investment in a Levey education is the best investment you can make! Levey remains true to its founding values of providing a high quality curriculum, instilling Jewish values while respecting the diversity within the community, and being accessible to all.

Tuition and Deposit

Levey is committed to keeping tuition affordable for every family who wishes to send their child to Levey, and to keeping tuition below the cost of most private schools. The tuition for the 2017-2018 school year will be \$11,250 plus an activities fee of \$350. To hold a place for your child(ren), we require a non-refundable deposit of \$475 by **March 31st**. If financial constraints prevent you from making the full deposit at this time, but you wish to enroll your child(ren) at Levey, please call me so we can develop a payment plan.

There are several options for tuition payment:

1. **Payment in full by July 1, 2017.** We appreciate paying in advance as it is helpful to the school and relieves you of monthly reminders.
2. **Payment monthly.** Payment may be made in ten monthly installments by check or credit card commencing on July 1, 2017.
 1. Ten checks, each made out for one-tenth of the tuition, must be provided to the school by July 1, 2017, dated the first of each month July 2017 through April 2018.
 2. Alternatively, families may authorize the school to charge a credit card account monthly, for one-tenth of the agreed upon tuition from July through April. A 3% fee will be added to defray the costs of credit card fees.

Financial Aid

Application for financial aid must be made by **March 10th** and submitted directly to SSS/NAIS. Detailed information regarding the financial aid process is enclosed. There is a \$48 fee to apply, which is waived automatically by SSS if you qualify. All application and award information remains confidential. Financial aid applicants will be notified of their awards on or before **March 27th** if the submission is complete. Even if you haven't made a decision about your child(ren)'s education for next year, if you have a need for financial aid, please fill out the application in order to ensure that your needs will be considered.

Sincerely,

Gerri Chizeck
Head of School
