Dear Prospective Levey Parent,

Thank you so much for your interest in Levey Day School. We are Portland's hidden gem — a place where students are provided the tools and resources necessary to question, explore and investigate. As Levey's new Head of School, I see great promise at our small school, a place where magic happens inside and outside of the classrooms every day. Levey students study meaningful subject matter in an integrated manner, learning deeply and making connections. Important in an elementary school, our students learn to care for themselves, others, and their world. They graduate as well rounded individuals, engaged, curious, and strong.

We invite you to peruse the enclosed information, to explore our website, our Facebook page, and our other social media platforms. Most of all, we invite you to visit our campus and see the beauty of what happens every day at Levey Day School. See our learning in action and how we cultivate the mind, body and spirit in a safe, nurturing environment.

We would be grateful if you visited. Call or write today to schedule a personal visit and tour. Meanwhile, the enclosed admissions checklist spells out our procedures. Never hesitate to contact me or Nancy Markovsky, our Office Manager, with questions about our school or about the application process.

I look forward to getting to know you and your child(ren) in the weeks to come.

Much peace,

Jeffrey Tremblay
Head of School
